## WORK EXPERIENCE

**Women's Independent Living Group**

*Summer House Manager*

Cambridge MA

*July - Aug 2023 & 2024*

- Coordinated the historical building WILG with MIT management, ensuring a safe and organized environment for up to 45 residents.
- Acted as a liaison between treasurers, service companies, alumni, and residents.
- Managed schedules, activities, and various resources for the maintenance of the building.
- Addressed daily concerns of the MIT community, using problem solving and conflict resolution skills.

**Scheller Teacher Education Program**

*Student Researcher*

Cambridge MA

*May - Aug 2023*

- Collaborated on a team with four other undergraduate researchers to design an augmented reality game geared for learning science in middle school classroom settings.
- Used qualitative research methods to collect information on augmented reality interactions and student behavior.
- Developed a biology curriculum centered around the agent-based program StarLogo Nova.
- Troubleshoot and implemented 20+ bug-fixes to the StarLogo Nova website.

## LEADERSHIP EXPERIENCE

**HackMIT 2022**

*Marketing Head*

Cambridge MA

*March- Sept 2022*

- Represented a team of 13 designers: reported to management, supported members, held weekly meetings, and set deadlines for final designs.
- Taught 3 workshops and posted office hours to introduce Adobe Illustrator and develop designs.
- Delivered the aesthetic experience for over 2,000 attendees at HackMIT.
